

Smart Technology, Made to Care

# CO

Carbon Monoxide Detector

**The CO Alarm is a discreet, compact unit which will provide the earliest possible warning of harmful levels of Carbon Monoxide.**

If Carbon Monoxide is detected, a loud audible alert will be emitted and a radio message will be sent to the alarm receiving device.

## Features list

- Discreet, compact design
- Sealed 10 year device and transmitter batteries
- Alarm and low battery silence button
- Safety lock to prevent easy removal
- Auto switch mounting base
- LED indicators
- Range of up to 600m (line of sight)
