

Smart Technology, Made to Care

## Reach

Wireless Waterproof Pull Cord

The CAIR Reach is a waterproof, wireless, easy grab long length pull cord switch for indoor and outdoor environments.

Ideal for bedrooms, bathrooms or sitting rooms, the Reach can be strategically placed around the home to add an extra level of safety and reassurance in case of emergency, particularly for users who find it difficult to press a button, or for locations where wearing a personal alarm isn't ideal.

Features list

- Waterproof
- Long 2.4m length cord
- Low profile design
- Replaceable AAA batteries
- LED indicators
