

Smart Technology, Made to Care

Smoke+

Interlinked Smoke Alarm

The Smoke+ is an intelligent, discreet, compact interlinked smoke detector. It can be easily programmed to interlink with other Smoke+ or Heat+ sensors, ensuring all connected devices alert when needed.

The Smoke+ provides the earliest warning of a developing fire whilst being highly resistant to nuisance alarms.

Features list

- Interlinks with other Smoke+ and Heat+
- Simple programming
- Discreet, compact design
- Safety lock to prevent easy removal
- Sealed 10 year device
- Alarm and low battery silence button
- Extra large test button
- Range of up to 600m (line of sight)
